

# Overdose Education and Naloxone Training

FREE: 1.5 IDFP CEU's for LSW/LCSW, LPC/LCPC, Psychologist, and IAODAPCA (pending)

This training will teach you what opioids are, including how they work, and the current opioid overdose epidemic. You'll learn to identify the signs of an opioid overdose and how to respond effectively, including how to administer Naloxone, a life-saving medication that can reverse the effects of an overdose. We'll also discuss harm reduction strategies and important overdose prevention policies. This training is perfect for anyone looking to make a positive impact in their community by gaining valuable knowledge and skills. Together, we can help combat the opioid crisis and save lives. Don't miss out on this opportunity to make a difference!
