Saturday

Virtual Parent Support Group – Saturdays, 2:00 to 3:30 pm. Free, register in advance.

At Rosecrance, we provide a range of family support services including counseling, support, education, and information. One of these support services is our [Virtual Parent Café](#). Parents need to know that they are not alone as their adolescent or young adult struggles with substance use and/or mental health disorders. Through Parent Café, our staff will help you talk with other parents who are going through similar

experiences. You can learn what has worked for others and develop a strategy that makes sense for you. Contact Peter Mowris at pmowris@rosecrance.org for information.

Stronger Together, DBT Group for Adults ages 18 and up - Saturday's, 10:00 am

In this weekly supportive group, we will learn about the four foundational skills of Dialectical Behavioral Therapy. The Acceptance Skills: Mindfulness and Distress Tolerance, and the Change Skills: Interpersonal Effectiveness and Emotional Regulation. Validation will be used and taught as we learn to accept where we are while being a springboard for action! We will learn how to use these effectively in our daily lives and help empower you to effectively live your best life. Please contact admin@owenscounseling.com or call 847-854-4333 for more information. Group meets at Owens Counseling 9241 S. Route 31, Lake in the Hills.

Breakfast Club – Saturdays, 9:00 am

Dialectical Behavioral Therapy Group for High School ages 14 – 19. Some of the things covered in this group help with external and internal triggers to stress, learn how to manage overwhelming emotions, and education on coping strategies. BOUNDARIES AND ETHICS IN SUPERVISION

FREE: 6 IDFP CEU'S FOR LSW/LCSW, LPC/LCPC, and Psychologist

This 6-hour intensive training is designed for Illinois-licensed counselors and supervisors seeking to strengthen ethical decision-making and boundary management in clinical supervision.

Grounded in the ACA Code of Ethics (2014), Sections F.1–F.10 and aligned with CACREP 2024 supervision competencies and Illinois supervisor requirements, this workshop addresses power dynamics, dual relationships, documentation, gatekeeping, and technology-related boundary risks. Through applied case analysis, ethical decision-making models, and supervision contract development, participants will gain practical tools to support ethical, legally sound, and effective supervision practice.

There will be a 1 hour lunch on your own.

THE LINGERING SHADOW: NAVIGATING THE DEPTHS OF TRAUMATIC GRIEF

FREE: 3 IDFPR CEU'S FOR LSW/LCSW, LPC/LCPC, Psychologist,
and IAODAPCA (Pending)

This presentation explores traumatic grief as a disabling response to sudden or violent loss, distinguishing it from normative grief and PTSD. It examines how trauma disrupts memory, emotional processing, and identity, while highlighting the influence of cultural and contextual factors and common acute reactions to loss. Healing is presented as a trauma-informed process emphasizing narrative repair, self-compassion, and supportive practices for both clients and clinicians.

UNDERSTANDING ADHD AND EXECUTIVE FUNCTIONING: PRACTICAL STRATEGIES FOR CHILDREN, TEENS, AND ADULTS - PART 2

FREE: 1 IDFP CEU'S FOR LSW/LCSW, LPC/LCPC, Psychologist, and CPDU'S for School Professionals

Attention-Deficit/Hyperactivity Disorder (ADHD) affects individuals across all stages of life, influencing attention, organization, emotional regulation, and daily functioning. Central to ADHD are challenges with executive functioning—the skills that allow us to plan, prioritize, initiate, and sustain effort toward goals. This session provides a comprehensive look at ADHD and executive functioning in children, adolescents, and adults, offering insight into how symptoms may appear differently across ages and environments. Participants will learn practical, evidence-based tools to help individuals strengthen executive skills, improve focus and organization, and build confidence through a strengths-based, neurodiverse-informed lens.
